**MISSION**

To serve all people in Massachusetts in every one of its diverse communities by providing access to resources, services, and educational materials at times and places where working people are available.

**VVN DATA WALK**

Network members came together to review the 2017-2018 Network Collaboration Survey and brainstormed how to strive towards Network-wide goals in the upcoming year.

**DATA IN ACTION**

The Data Walk marked the first step in channeling our data into practice for 2019, and we’ve only scratched the surface! If you’re interested in taking a deeper dive into the data & collaborating on data-driven improvements for the Network, let us know!
